

Busaba is modern Bangkok eating. Contrasting textures and flavours. Sweet. Spicy. Sour. Salty.

Each of your dishes will arrive in one course so you can eat together and share.

Why not customise your dish by trying our sauces and add to your liking. If you're in the mood for more spice, we can add more chillis, just ask.

Chopsticks are not typically used in Thailand, but since 1999 our guests have requested them, so who are we to argue? We also provide a spoon and fork which are traditional
