If you have any food allergies or intolerances, please let your server know and check our dietary and calorie information by scanning the QR code as from time-to-time, ingredients may change. All our Our 6oz beef burgers are cooked medium unless specifically requested otherwise. Burgers cooked medium rare carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk. The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done.
