

CABANA

Inspired by the glory of the Rio of the 1950's; where they danced the Samba in the streets,
Bossa Nova filled the air and the smoke of Havana cigars clung to the late night bars.

A rich tapestry of Portuguese, African, Italian, Japanese and Lebanese
who made Brasil their home, and created a dynamic eating experience that is vibrant, varied and full of life.

SMALL, BUT PERFECTLY FORMED WINE

At Cabana we are committed to reducing our carbon footprint, and promoting more efficient recycling through wine in cans is just the start. These high end wines taste exactly the same as they would coming from a bottle, but their alternative packaging makes them as good for the planet as they are for drinking
