Cineworld at the O2 is the perfect venue for your next conference or event. This premium venue is set in the world's favourite arena and has hosted a wide variety of clients. Our DDR gives everything you need for an exceptional event, with options such as digital branding takeover and bespoke hot catering options. Our screens range from 151 - 853 seats and our pioneering Screen X allows an immersive 270 degree viewing angle to further enhance your experience. With a 15 minute travel time from Central London, unrivalled branding opportunities and breakout and office space throughout, Cineworld at The O2 is one of London's ultimate event locations.
