BURRITOS · TACOS · SALADS

Create your own.

Our burritos, tacos and salads are what made us famous and, even though we do things a little differently in the evenings, you can still have them just the way you want them.

Whether you want to combine slow-simmered, balsamic pork, with refried pinto beans, crisp romaine lettuce and gentle salsa verde or maybe, chipotle-grilled chicken, with black beans, Monterey jack cheese and spicy salsa brava, it's your call.

Simply head to the counter and we'll take care of the rest
