VEGAN CHEESE

CAMEMBERT SLICE

CAMEMBERT PANKO

Whilst every effort is made within our restaurants to reduce allergen presence, in the case of these foods, they will be cooked in fryers that are used for other products. Therefore all foods marked are likely to contain the following allergens - Milk, Eggs, Gluten, Mustard and Celery. We encourage you to tell us your allergies.

All our beef burgers are cooked medium unless specifically requested otherwise. Burgers cooked medium rare carry a higher risk of food poisoning. Unlike a steak, a burger needs to be cooked through to reduce that risk.

The Food Standards Agency recommends that children, pregnant women and anyone with a weaker immune system have their burgers well done. Please ask us for more information.
