SUITES

UNBEATABLE VIEWS SPACE TO SCHMOOZE

Perched on the premium levels of The O2, an Encore Suite will give you and your guests an unbeatable view of all the action. Its open balcony means you'll live and breathe the energy of every single performer.

An Encore Suite is The O2 experience at its very best.

Comfy Seats

Our suites range in size from 15-24 guests. They're all yours so sit back, relax and enjoy the show.

Car parking

Drive your car to The O2 and use the two car parking spaces available to you. Taking a private car instead? You'll have access to our exclusive drop-off and pick-up point, just seconds from the action inside.

Fast-track entry

Soak up the atmosphere of a fast-filling arena but skip all the queues. You'll have a dedicated lane that takes you into the lounge in no time.

Members' lounge

You and your guests can make your way to the American Express Lounge whenever you wish. Great for sipping on cocktails after the show.

In-suite catering

Our chefs bring delicious seasonal creations to the menu all year round. We offer catering packages for groups of all sizes, both pre-show and throughout the performance.
