CLUB 101

UNBEATEABLE VIEWS SPACE TO SCHMOOZE

See every show throughout the year in exclusive surroundings.

Follow fans along the lively level 1 concourse then step inside Club 101, our private lounge space with great views of the stage.

Whether you're a pair or a party, you can pick the number of seats you wish – keep in mind there are only so many up for grabs each year. Once inside, you and your guests may not want to leave. A fully stocked private bar is a few steps away. High tables with low lighting create the perfect atmosphere for socialising. And the seats? Incredibly comfy with incredible views.

Be part of Club 101 for an exclusive and intimate experience.
