SUITES

CLIENT LOYALTY ROCK 'N' ROLL ROYALTY

Your private, personalised space all year round to take in our world-class entertainment.

Perched on the premium levels of The O₂, your Encore Suite will give you and your guests an unbeatable view of all the action. Its open balcony means you'll live and breathe the energy of every single performer and every sold-out crowd.

Our suites range in size. Our suites seat 15-18 guests, with the opportunity to increase capacity for those high demand shows. Once inside, you'll be looked after from pre-show to finale. Friendly faces will bring selections from our seasonal menu. And your private bar will have someone on hand to pop and pour whenever you wish.

An Encore Suite is The O₂ experience at its very best. When you take a suite you'll have your own Account Manager on hand, to answer any questions and handle any special requests.

Permanent seats

You'll always know where you stand... and sit. Your suite will have 15-18 comfy seats with uninterrupted views. They're all yours, all year.

Logos on show

Your suite is like a blank canvas, fit it out to match your company's style. From furniture to artwork, you can design a suite that makes a statement.

Permanent car parking

Drive your car to The O₂ and use the two car parking spaces available to you. Taking a private car instead? You'll have access to our exclusive drop-off and pick-up point, just seconds from the action inside.

In-suite catering

Our chefs bring delicious seasonal creations to the menu all year round. We offer catering packages for groups of all sizes, both pre-show and throughout the performance.

Members' lounge

You and your guests can make your way to the American Express Lounge whenever you wish. Great for sipping on cocktails after the show.

Suite brokerage

Can't make an event? We can make it available to other businesses privately. This gives you an opportunity to make the most of your investment even when you're not there.
