

Planned tube strike: 5th October 2017

Travel Information

Dear customer,

There's currently a planned tube strike due to take place on Thursday 5th October. If the strike goes ahead there are likely to be very limited tube services across the London Underground network. North Greenwich station, which serves The O2, will receive far fewer trains than normal and parts of the Jubilee line could be suspended. All other public transport services and roads will be much busier than usual, so please check before you travel at tfl.gov.uk.

If you are travelling to the Micky Flanagan show by public transport we strongly recommend that you plan your travel in advance using the following guide:

By River

MBNA Thames Clippers will be operating additional river bus services to and from The O₂ via North Greenwich pier. Pre-event, boats leave every 20 minutes from central London piers to The O₂. Boats will begin departing North Greenwich pier 15 minutes after the event has finished. The journey time to Waterloo is approximately 45 minutes with food and drink available to purchase on board. Post show, seats must be booked in advance to ensure availability.

For more details and to book tickets please visit thamesclippers.com

By Car

The arena car park is located within a short walk of the main entrance of The O₂. We strongly recommend you pre-book so we can manage demand and avoid disappointment. Pre-booked parking is £26. Please note that parking is £33 for non pre-booked customers.

Simply call us on 020 8463 6718 to secure your space today or book online at <https://tickets.aegeurope.com/theo2parking/> **Please note there is no on-street parking on the Greenwich Peninsula. Please use Car Park 1 unless directed otherwise.**

By car: FREE drop off / pick up

If you are being dropped off by car, please use our free general public drop off area within Car Park 1, as shown on the map below.

By Taxi and Private Hire

North Greenwich station has a dedicated black taxi rank and there is separate private hire pickup and drop off area next to Car Park 3. Taxi marshals will be present at both taxi areas after the event to provide assistance if required.

By Emirates Air Line (cable car)

The Emirates Air Line connects the Greenwich Peninsula to Royal Docks and Royal Victoria DLR station. On 5th October it will be operating an extended service after the show finishes, enabling customers to connect with DLR services (towards central London, Stratford and Beckton) post event. London Underground tickets will be accepted for single and return journeys, while Oyster and contactless users will be able to touch in as normal.

By Local Bus

London buses will be operating enhanced services throughout the strike. There are 8 local bus routes including three 24 hour services that serve North Greenwich bus station. These services are summarised below.

- Route 108 (24hr) to Stratford or Lewisham
- Route 188 (24hr) to Russell Square via Greenwich and Waterloo
- Route 472 (24hr) to Thamesmead via Charlton and Woolwich
- Route 129 to Greenwich
- Route 161 to Chislehurst
- Routes 132, 422 and 486 towards Bexleyheath

Please visit tfl.gov.uk for further information regarding local bus services
