Discover stunning views of London with Up at The O₂.

Experience the thrill of climbing the world famous roof of The O₂ and take in panoramic views over London's most iconic skyline at the summit, 52 metres above ground level.

The whole experience is approximately 90 minutes. Upon arrival, you will be given briefing instructions and safety equipment to kit up in. The expert guides will take the lead and share some interesting facts about the venue's unique architecture as well as its famous visitors. Once you reach the viewing platform, enjoy the breath-taking 360-degree views of London like you've never seen before.

Choose from a variety of climbing options, including daytime, sunset or twilight climbs.

GET UP AND OVER IT

Climb at your favourite time

Daytime Climb

Climb the roof during the day. When it's clear, you can see landmarks up to 15 miles away, from historic Greenwich and the Olympic Park to Canary Wharf - marvel at the 360 panoramic views of the capital.

Sunset Climb

Go on up as the sun goes down. Enjoy a picturesque experience of London against the backdrop of an auburn sky.

Twilight Climb

After the sun sets, you can see London in a whole new light. Experience a Twilight climb surrounded by the colourful walkway lighting.
